REASONS FOR ALLOWANCE

1. Claims 1-5 and 7-17 are allowed over the prior art of record.
2. Claims 6 and 18-32 have been canceled.
3. The following is an examiner's statement of reasons for allowance: The Applicant's arguments filed on 11/20/2007 are in part persuasive. Applicant approved the Examiners amendment canceling claims 18-32. Claim 6 was cancelled by the Applicant. **The feature of independent claims 1 and 10** directed towards allowable subject matter are a device having an integrated housing with a multifunctional clip device combined with a user interface formed into said housing, and a processor in communication with a display, user interface, and memory. As argued by the Applicant Gold does not teach of an integrated portable interactive device with such a holder or housing of the device with a user interface formed into the accessory. **Therefore** the above said features in combination with the other limitations of the above independent claims 1 and 10, and therefore claims 1-5 and 7-17, are found to be allowable over the prior art of record.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **David L. Lewis** whose telephone number is **(571) 272-7673**. The examiner can normally be reached on MTWTHF from 8 to
